1. This policy outlines the board's commitment to child protection and recognises the important role and responsibility of all our staff in the protection of children. It includes the board's expectations when child abuse is reported or suspected by us.
2. All staff members (including contractors and volunteers) are expected to be familiar with this policy, its associated procedures and protocols and abide by them.
3. We are committed to the prevention of child abuse and neglect and to the protection of all children. The safety and wellbeing of the child is our top priority. Advice will be sought through appropriate agencies in all cases of suspected or alleged abuse.
4. In line with the current Vulnerable Children's Act, any person in our school/kura who believes that any child or young person has been, or is likely to be, harmed (whether physically, emotionally, or sexually) ill-treated, abused, neglected, or deprived must follow school procedures and may also report the matter to Oranga Tamariki if in imminent danger/risk or to the local police.

14. Ensure that this policy forms part of the initial staff induction programme for each staff member.
15. Visitor's staff and volunteers and outside instructors should be monitored by staff.
16. Staff will be made aware of the legal guidelines regarding the reporting and collecting of personal information regarding abuse and neglect.
