

AN UPDATE FROM OUR TUCKSHOP PROVIDER

We have felt significant pressures on the food service at our Champion Tuckshop due to the current food inflationary climate.

The quarterly CPI inflation rate was 1.8% in March 2022 quarter, and 6.9% annual inflation rate compared with March 2021. In the March 2022 quarter compared with the previous quarter; December 2021 the CPI rose 1.8%. Price increases were widespread across all main groups in the CPI basket increasing in the year.

Food has been the most significant contributor to quarterly inflation, with food prices increasing 7.6% in the year ended March 2022 (for sources and further information email us at hello@libelle.co.nz).

As a result, we have reviewed our Champion Tuckshop menu prices to be implemented in Term 3 2022.

Please find our updated menu below, and email any questions, comments or feedback to hello@libelle.co.nz.
