

This Event is designed to celebrate our adult coaches and managers who have supported your school this winter season. To provide a platform for our West Auckland Secondary School Coaches, Managers to be able to connect and collaborate sharing our experiences to improve our knowledge base to help our impact within the sport we lead. It will also be an opportunity for us to hear from guest speakers probing questions in order to guide towards improvement.

We all know coaching and managing a team can be hardwork this is to provide a platform for us to show support for these coaches and managers that do so much work within our community.

#### Why is networking important in coaching?

One of the benefits of networking with other coaches and mentors is that you can learn from their experience and expertise. seek feedback and advice from others, as this can help you improve your skills, overcome challenges, and grow as a coach, offers a broader perspective, and can help you build a diverse network of contacts and resources.
