Kia ora parents, caregivers and whānau,

This year our Careers Out West Expo will be held at The Trusts Arena, 65 – 67 Central Park Drive, Henderson on Wednesday 21st May. This event is open to all West Auckland secondary schools to attend in order to discover more information about career pathways, job opportunities and to learn more about tertiary transitions.

Our senior students will walk to The Trusts Arena from school and back. If you, as a family member, would like to attend this event with your daughter, you are welcome to meet at the Expo. All students are expected to return to school, however, and are not to go off-site or home with parents. If your daughter would like to return to the Expo in the evening together with parents/ whanau members, they are welcome to do so as the event is open until 5pm.

To run an event of this nature requires significant financial input from schools and St Dominic's Catholic College has had to contribute towards the costs of hiring the venue and hosting the presenters. As such, we are asking for a gold coin koha / donation from all senior students to be put towards this event. Whānau teachers will collect this in afternoon Whanau time on Tuesday 20th May.

Thank you for your support of this event. It is an exciting opportunity for students to learn more about Universities, Technical Institutes and various industries where they may be interested to work.

If you have any questions regarding this event, please do not hesitate to contact Ally Glen at aglen@stdoms.ac.nz
