

Welcome to St Dominic's College

Hello, tena koe, kia orana, bula vinaka, Talofa lava, hi, malo e leilei, namatase, konnichiwa, taloha ni, kamshor, faklofa lahiatu, ni hao, apa khabar, an yonghaseyo, bonjour, lei hou, nei hou, nga'aiho, nomoskaar, hola, oi, guten tag, zdravstvui, allegra,, sawatdi, chao, sain baina uu, halo.

Learning New Things

You have many new things to learn about St Dominic's College, living in a Homestay, in Auckland, education in New Zealand and New Zealand itself if you have recently arrived in the country. Your subjects may be different to what you are used to. The food, the people, the language and the culture may all seem strange but there are many people who will help you. **Do not be afraid to ask for help.**

Keeping Things

You will have many important papers that you must keep safe for people and Immigration and universities. Make sure that you have a safe place to keep things like your receipts, invoices, school reports, exam information. Your orientation folder or a plastic sleeve are good places for this.

Making the most of your time at St Dominic's College

Your family has made it possible for you to further your education. Do not waste their money. Work hard, do the best you can and make them proud. Your work may seem difficult at first if your English is not good. Do not give up. Write down as much as you can in class. Write everything the teacher writes on the board because you will need these notes when you revise your work. If you have difficulty with your class work, see Mrs Foley or your Level Dean.

Try to meet new people. Talk to different students in the class. Don't be shy. Because we have so many different nationalities in our school, local students will not always know that you are a new student so say hello to them first.

Good luck and best wishes for your time in St Dominic's College!

Where to get Help

Sick Bay

If you feel sick at school ... **see the school nurse**. Her room is by the Canteen. If you need permission to go home, she can give it to you.

School Nurse: Mrs Adrienne Halley

If you are sick at home, get your Homestay parents to call school, or text Jenny or Gay, to say that you are sick. They must also write you a note for any absence. Bring it to your form class teacher the next day you are back.

If you are sick at home for 2 or more days, you must see a New Zealand registered doctor for a certificate. It must say what has been wrong with you.

DO NOT LEAVE SCHOOL WITHOUT GOING TO THE SICK BAY OR SEEING MRS FOLEY.

Health Insurance

All International students must have Health Insurance to cover the cost of medical, hospital and travel expenses.

Guidance Counsellors

Our guidance counsellors are by the canteen and the sick bay. They are there to help you with any problem you may have. It could be a problem with a friend, your family or your school work. No problem is too big or too small. They are there to listen to you and help you. They will not talk about your problem to anyone unless you ask them to. You can make an appointment yourself or Mrs Foley can make one for you.

School Counsellors: Mrs Cole and Mrs Clark

Advice on Careers

The Careers Advisor is Mrs O'Carroll. Her room is PR3. Senior students should see her regularly. You can find out about courses at University and careers you want to do.

Form Class or Home Room

Your Form Class will meet on Tuesday and Thursday mornings at 8.35am for 15 minutes. You will also meet at 2pm every day for a roll check and to hear daily notices. This group of students is led by your Form teacher. This teacher will get to know you very well as you will be with the teacher and class for the whole year. They will make sure that you are making friends and are happy at school. They are also there to advise you and help you.

My Form class is.....

My Form teacher is.....

My Form class meets in Room.....

Courses:

Intermediate – Years 7 and 8 will stay together in a core class for all subjects.

Year 9 and 10 – You will have most of your classes together in a core class. Your chosen Language (Year 9) and your special chosen subjects will give you the opportunity to meet other students of your form level and extend your group of friends.

Senior Students (Year 11, 12, 13) – will have an individualised programme based on subjects chosen from the curriculum booklet. When planning your courses, you need to make sure that the subjects you choose will help for your following years and will help lead you to the career that you want.

If you are having a problem understanding a subject, you must discuss this with your subject teacher. In New Zealand, teachers want you to talk to them. See Mrs Foley if you want to change a course. You must do this within 2 weeks of a subject beginning or you will miss too much on the new subject. It may not always be possible to change some subjects due to class size or option clashes in your timetable, **but we will do our best to provide the best possible timetable for you.**

See Mrs Foley personally if you need help with your subjects.

School General Information

Lateness

If you are late to school you must go to the Dean's desk or use the computer screen at the Student Entry in Helensville Block to get a late pass. You will need a note from home to excuse your lateness. If you are regularly late, Mrs Foley will phone your home and ask for explanations. You may get a detention for lateness without a note.

Absences

You cannot leave school without a note from home.

Doctor or Dentist

Bring a note from home and you will receive an 'exit pass' giving you permission to leave school.

Sickness

Phone Mrs Foley or text Mrs Foley. If your host mother is home, ask her to phone school.

You must attend every class and complete all course work. Taking leave without permission is not permitted.

Working

St Dominic's College DOES NOT encourage part time work as you need to focus on your studies. However, if you want to consider part-time employment, you must see Mrs Foley to get permission. There are certain procedures that must be followed.

Personal Property

You can leave valuable items with Mrs Foley and pick them up at 3.20pm. You can have mobile phones at school for classroom use when your teacher uses them for learning programmes.

Lost property

All lost property will be given to Reception. Make sure your clothes are named.

Protect your Possessions

Do not carry large sums of money with you or bring it to school. Leave them in a safe place at your homestay.

Don't count cash in front of others.

Text books/ Stationary

You borrow text books from the school. You will get a text book pass from Mrs Jones which your subject teacher will look at and give you the right book. Sometimes there isn't a text book for your subject. Do not be alarmed.

You must get the right stationery for your subjects. Mrs Foley or your form class teacher will give you the order form. You must buy the stationery outside of school. Some ideas -
The Warehouse or the Warehouse Stationery shops.

Holidays and travel

Early holiday leave is generally NOT ACCEPTABLE.

If you are going away from your homestay during the term holidays you must complete a permission form. Please see Jenny or the International Assistant for this. It is law that we know where you are at all times.

Expectations of a Safe School

At St Dominic's College all students can expect to:

- Be free from being harassed- verbally or physically
- Have others respect their property
- Be spoken to without being 'put down'
- Have others comment positively about their abilities
- Have their differences valued
- Have people work with them in a co-operative way
- Not to be harassed on the basis of their gender or race
- Be treated fairly
- Be treated with respect and dignity

If you consider that you have been unfairly treated in any way, talk to:

- Mrs Foley - Director of International Students
- International Department Assistant
- Tanya Corrigan - Homestay supervisor
- Your Level Dean
- A subject teacher

The matter will be investigated. You will have the choice of arranging mediation through the school mediation service – Peer Ambassadors, Dominican Dialogue. You may also use the Guidance Counsellors – Mrs Clark and Mrs Cole.

Responsibilities in a Safe School

At St Dominic's College you should:

- Be free from racism or sexism
- Be positive about the abilities of others
- Value the differences in others
- Be fair
- Be co-operative and helpful
- Treat others with respect and dignity, refuse to allow any aggressive, racist, or sexist behaviour to go unchallenged
- NEVER use physical or verbal abuse

Health and Safety

Doctors

If you are sick and it is not an emergency, the first doctor you should see is a GP (General Practitioner). If the doctor thinks you need more help, the GP will send you to a specialist. All medical visits are confidential. No-one else can get your information without your permission. If your host mother cannot take you to the doctor, see Mrs Foley or Tanya.

Dentist

See Mrs Foley or Tanya if you need to go to the dentist as an emergency. Ask your host family to make you an appointment otherwise.

Drugs and Alcohol

It is illegal in New Zealand to possess, buy or use certain drugs and plants. Under no circumstances are you to become involved. It is illegal to import some common cold medicines as they are known to be used in the manufacture of 'P'.

In New Zealand you cannot buy alcohol under the age of 18. If you choose to drink you must do so sensibly. Eat food when you drink. Don't drink very much. It can put you in dangerous situations.

First Aid

You can get first aid equipment such as plasters, band aids, pain pills at the Sick Bay with the nurse or at the Reception.

Hospital

Hospitals can be public or private. Your insurance should cover your care at the hospital. The closest hospital is Waitakere Hospital. All hospitals have translating services. For an emergency call '111'.

Fire

If there is a fire at school: break the glass of the nearest fire alarm and notify the school office.

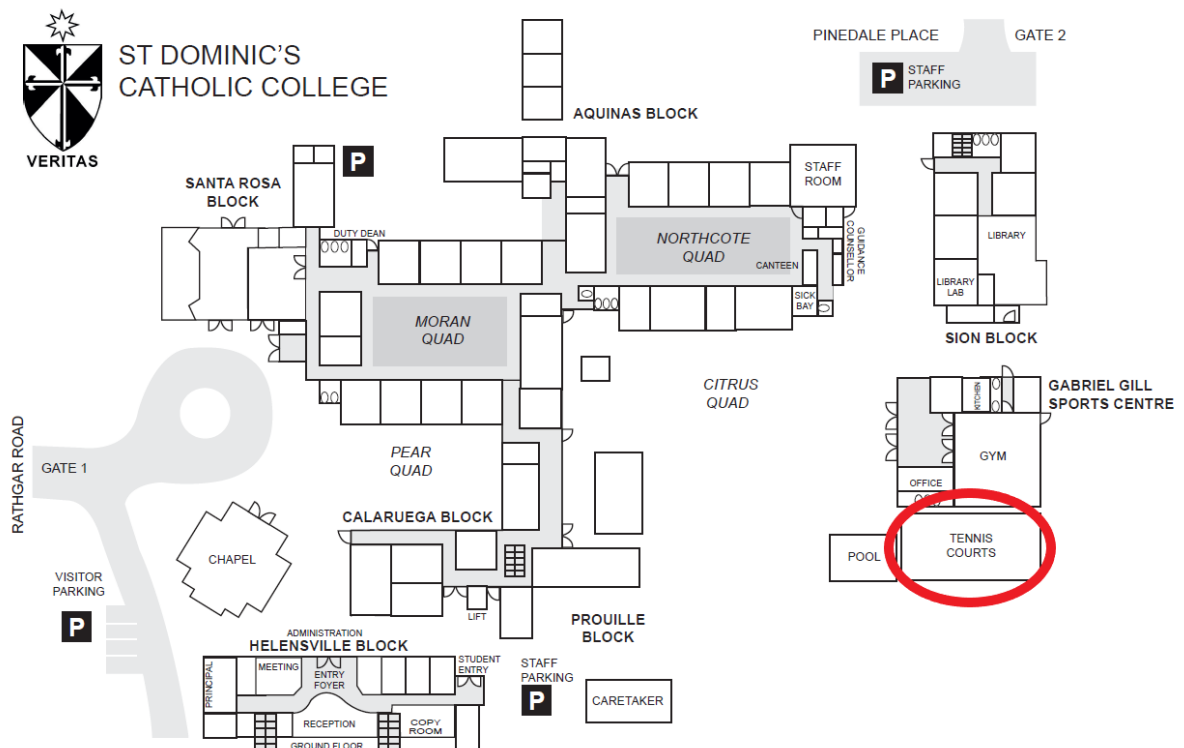

Signal: Continuous ringing of bell

Action: Evacuate ALL buildings immediately. Walk calmly and quietly

Assembly Point: Tennis courts by the gym.

Evacuation Procedures:

- Leave the classroom in single file
- Leave all gear in the room
- Line up in Form class on the Tennis courts
- Sit when checked by teacher
- Wait for instructions

If you are feeling lonely and homesick this is to be expected and very normal when you first arrive.

This feeling will soon pass and you will feel happy and confident.

- Talk to your homestay parents or your homestay supervisor about it
- Make plans and do something e.g. a trip to the movies or visit the city to sightsee

Culture Adjustment

When you move to a new country it is usual to experience periods of change and adjustment.

Everything is really different when you arrive- the people, the food, the houses, the shopping, the smells, the air, the water, the food, the language.

You will be tired from all of your travelling and saying goodbye to friends and family.

You will be excited as well because everything is different but this can change into loneliness and homesickness.

This is culture shock.

Keep talking to people who understand – Mrs Foley, your friends, your host mum or caregiver.

Try doing new things, go out for a walk, mix with other people as much as you can.

New Zealand's Culture

- We are a country of usually polite, friendly people.
- When you meet someone for the first time, try to make eye contact and speak with them. Some people may shake your hand - that's ok.
- It's polite to say hi and bye to your host family every morning. Don't forget to smile.
- New Zealanders are called kiwis. We like that name.
- Kiwis are friendly and want to help you.
- Ask a question if you do not understand. You will not lose face. It's ok.
- Use please, thank you or excuse me to be polite.
- Yes usually means yes and no means no. In New Zealand people say what they believe and feel.

New Zealand has 3 official languages – English, Maori and Sign Language. English is widely spoken. You may even pick up our Kiwi accent!! Sometimes it is hard to understand when people talk so quickly. Be patient.

Help us by:

- Speaking as clearly as you can
- Ask us to speak more slowly
- Not being afraid to make mistakes
- Join in with a conversation because that will help you become more fluent in English.

Here are some examples of New Zealand words and expressions you will hear:

Okie dokie	Ta
She'll be right	No worries
Good for you	Togs
Hold on	Chill
Heaps	Beats me
Awesome	Cool

Here are some Maori words you may hear soon:

Aotearoa	Pakeha
Haere Mai	Whanau
Kia Ora	Whare
Marae	Iwi
E Tu	E noho
