International Prospectus

Welcome to St Dominic's College

“Excellent location and environment to study and live “

“School Leaver Qualification—93% of our students leave our school with Qualifications for University and Higher Institutions”

Celebration of Community

St Dominic's College is dedicated to supporting you as an International Student so you can become who you want to be, can achieve what you set out to do and to value your place in the world today. St Dominic's College offers a wide curriculum to choose your own career pathway to success. We have many people to help you at school. Our Director of International Students, Homestay Supervisor, International Assistant are all dedicated to helping you.

Our teachers provide quality teaching and learning environments with thinking skills as a base to our curriculum. We provide free ESOL classes and homework classes and free subject tutorials for senior subjects after school and in school holidays.

Celebration of Academic Achievements

Striving for excellence in all its dimensions is our primary focus. Our commitment to achievement is demonstrated through a range of learning experiences such as modern and plentiful resources, highly motivated teaching staff, challenging programmes and enrichment opportunities

Our students consistently achieve a very high level of success in NCEA. St Dominic's College and Liston College (our brother school next door to us) are in the top ranked schools in West Auckland.

Our International girls achieve great successes in all levels of our school. 93% of our girls will follow a career pathway of University or Tertiary Studies.

Celebration of Sports

St Dominic's College encourages students to participate in sporting activities both at competitive and recreational levels.

The College provides an excellent sports programme and we have a high level of participation in a diverse selection of sporting codes.

We encourage our International girls to sign up and join in.

We offer at least 20 sports to participate in. Joining a team will encourage friendship, responsibility and a healthy lifestyle and attitude.

Celebration of the Arts

Our Arts programme is an integral part of the school curriculum. We showcase our cultural talents at various annual productions, events and competitions.

St Dominic's College has excellent facilities for learning art based subjects. Skilled teachers aid students at all levels to develop their artistic potential in painting, art design, photography, graphic design, dance, drama, music, choir, orchestra, band and rock band.

Homestay

International students enrolled at St Dominic's College have the opportunity to live with a homestay family, a close family friend called a designated caregiver or with a parent.

Our homestay families are very carefully chosen and closely monitored by the school. Most homes are within walking distance to the school.

We have a very experienced and dedicated team of people to help your daughter settle into homestay and to provide 24 hour pastoral care service to her.
