- Google Chromebooks are some of the most popular BYOD devices around the world and in New Zealand.
- Chromebooks run on a unique operating system called Chrome OS and are a simple solution for fast, intuitive and easy-to-manage computing.
- Designed with education and the classroom in mind, Chromebooks provide access to programmes such as Google Chrome and Microsoft Office.
- Apps and documents are web-based, centralised and easy to access at all times.
- Plus, all of your data is backed up online - so if anything should happen to your Chromebook, you'll be back up and running once you log into another Chromebook.

# All things Apple.

- PB Tech is an authorised Apple Education Reseller.
- Apple iPads and Macbooks run the operating system iOS, with Macbooks being a popular choice among high school and tertiary students, whilst iPads appeal to primary and intermediate students.

- Macbooks are powerful, sleek, lightweight and portable and run an array of programmes such as Garageband and iMovie that are not available on Windows computers.

- iPads are especially useful for programming software such as Sprint, and work cohesively with many S.T.E.M. and Makerspace robotics.

Powerful, portable and personal, with a gorgeous 9.7-inch Retina display<sup>1</sup> in a thin, durable aluminium design that weighs less than 500 grams.<sup>3</sup> iPad puts incredible capabilities in your hands, with the powerful A9 chip, an 8-megapixel camera, a FaceTime HD camera, Touch ID, Apple Pay, Wi-Fi, 4G LTE<sup>4</sup>, all-day battery life<sup>2</sup> and over a million apps in the App Store.<sup>5</sup>

## iPad 2017

- 9.7-inch Retina display<sup>1</sup>
- A9 chip with 64-bit desktop-class architecture
- Touch ID fingerprint sensor
- 8-megapixel camera with 1080p video
- 1.2-megapixel FaceTime HD camera
- 802.11ac Wi-Fi with MIMO
- 4G LTE mobile data connectivity<sup>4</sup>
- Up to 10 hours of battery life<sup>2</sup>
- Two Speaker Audio

**\$529** Incl

The first modular drone that can be turned into a hovercraft, car, and more!

- PB Education and NZSTEM are the No 1. Destination for S.T.E.M in New Zealand.
- S.T.E.M. robotics help teach and encourage programming, engineering, problem-solving, literacy, numeracy, creativity and teamwork skills.
- Students can learn essential skills by interacting with apps and robots with their tablets, smartphones and notebooks - and most importantly, have fun doing so.
