

*"For the past 4 years, being an international student at St Dominic's Catholic College has been nothing short of amazing. Sometimes have been sad, some hard, some happy, some fantastic. I am really enjoying my life over here. The best thing about this school is that you have choices. I have gained Level 1 and 2 NCEA and am now working towards Level 3. I am also enrolled in Scholarship classes. St Dominic's Catholic College is a well organised school. I think I am lucky to be here. I'm happy to be part of this family". Gu Xin from Beijing*
